COMMITTEE DESCRIPTIONS

The Club’s success is largely dependent upon the member’s understanding, support and participation in committee activities. We could not raise the money needed to support our charities without the participation of all members in our fundraising events. Following is a brief review of our committees and their primary functions.

Charitable Endeavors:

The Committee distributes funds raised by the Ways & Means Committee to selected charities. Members are expected to participate in various social activities of the charities (ie: gift wrapping, holiday party) and encouraged to support other fundraising efforts of the charities.

Program:

During the summer months the Program Committee develops ideas for programs from member’s suggestions and then secures speakers and programs for each luncheon meeting. The program schedule is finalized at the August Board meeting for the upcoming year.

Hospitality:

This committee is made up of members who are familiar with the goals and ideals of the HWC. These members interact on a one-to-one basis with new members to welcome and familiarize them with club activities. This interaction can include, but is not limited to, bringing new members to meetings, sitting with new members at the luncheon and introducing them to other members who may have similar interests. This committee also hosts two “new member get-togethers” a year.

Telephone:

Members of this committee make telephone calls to HWC members to obtain reservations for the monthly luncheon meeting. In addition, the committee will make phone calls as necessary to dispense additional information.

Ways and Means:

The Committee is responsible for coordinating the fundraising efforts of the Heathrow Women’s Club and Heathrow Women’s Club Charities. Members can participate in many and varied activities throughout the year. Past events have included wine & cheese tasting, Gala and Auction, Bake Sale Book Sale and Annual Charity Walk.

Public Relations:

This committee is in charge of promoting the club’s activities via the website, electronic signboard and any necessary print materials. This includes writing and sending press releases and photographing club events. As well as Maintaining, updating and editing the Heathrow Women’s Club website:

Newsletter:

This committee creates, prints, coordinates advertising and distributes a monthly periodical, The NEWZ, for all HWC members.

Social:

The committee organizes social activities for HWC members and their spouses throughout the year. Some events have included day trips, ladies night out, games night and progressive dinners.

Focus:

The Focus committee works at the behest of the Board and involves problem solving, opinion gathering and input on policies and bylaw changes. The committee usually meets during the winter and spring.
